

Syracuse's 5th Annual One-Take Super-8 Event

Shoot a 3 min, 20 sec Super-8 film in one take. Turn it in.

DATE / DEADLINE:

WHAT TO DO:

Friday March 4 by 5 pm

Reserve your spot by submitting your completed entry form (below) and paying the \$40 entry fee BY THIS DATE AND NO LATER – don't delay, because there are only 20 spots available for this program and they are assigned on a first come, first served basis. CENTRAL NEW YORK RESIDENTS ONLY.

Participants can pick up their roll of film upon paying their entry fee at Funk-n-Waffles or Craft Chemistry.

NO EXPERIENCE OF ANY SORT IS NECESSARY TO PARTICIPATE!

- The \$40 entry fee includes (a) a cartridge of super 8 film, (b) processing services, and guaranteed exhibition.
- You can provide your own cartridge of film for this project (provided it's one of the stocks listed below – NO KODACHROME or NEGATIVES). If you choose to do this, then you pay only \$20 to guarantee your inclusion as one of the participants. This fee includes processing services.

January 24 - Friday, March 18

SHOOT YOUR FILM between these dates. Most participants take a day or less to shoot their film – others take three weeks. There's no wrong way to do this.

Friday, March 18 by 4pm

Submit your exposed film back to either Funk-n-Waffles or Craft Chemistry by this deadline. All participant cartridges will be shipped together as a package to the lab and will be spliced together for screening prior to coming back to Syracuse and it is for this reason that no late inclusions can be permitted.

- Remember to tell us the title of your film and confirm the creators name(s) at this time.
- There will be no opportunity to edit or preview your film, prior to the event screening. What you shoot is what will be screened.

Friday, April 8 by 4pm

You can submit a soundtrack on either CD or mp3 by this date, to screen with your film. Participants can also sing, clap or or bring an instrument to play when their film is screened.

All completed films will be premiered Saturday, April 16th, 2011
PLEASE register by Friday, March 4th at 5 pm
